

The Celtic Society of the Monterey Bay

Membership Application

The Celtic Society of the Monterey Bay was formed to encourage awareness in all aspects of the Celtic culture, with a special emphasis on the rich musical traditions, through concerts arranged for internationally renowned performers.

The CSMB is supported solely through membership, which is open to everyone. Members receive a membership card, the quarterly newsletter, a monthly email update of events, a discount price to all our concerts and other selected events and are eligible for the free CD contest on offer in every issue of the newsletter.

Our Membership Rates
